payment of TED and Duty Drawback under Deemed Exports and CST for supplies to EOUs. This would be applicable to all sectors.

(c) The new relief package is expected to help exporters face the situation arising out of rupee appreciation in particular and to keep them competitive. This will ensure that country's export targets are met.

(d) Except for Interest subvention which is for the nine identified sectors and SMEs, rest of the package is for all the export sectors.

Formulation of Manufacturing Policy

3114. SHRI T.T.V. DHINAKARAN: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether it is proposed to formulate a 'Manufacturing Policy';

(b) if so, the details thereof; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL POLICY AND PROMOTION, MINISTRY OF COMMERCE AND INDUSTRY (SHRI ASHWANI KUMAR): (a) to (c) The present Industrial Policy of the Government is guided by the Statemenet on Industrial Policy, 1991 and Industries (Development & Regulation) Act, 1954, as amended from time to time. Government constituted "National Manufacturing Competitiveness Council" (NMCC) in September, 2004, to function as inter-disciplinary and autonomous body to serve as a policy forum for credible and coherent policy initiative in manufacturing sector. In their interaction with the Ministries NMCC advises in formulating policies and such measures/reforms as may be required for improving the competitiveness and growth of the manufacturing sector. Various incentives in the form of fiscal and tax relief in specified sectors in manufacturing activity are also given. There is a continuous evaluation and review of policy relating to the Manufacturing and other sectors.

Hike in cement price

† 3116. SHRI RAM JETHMALANI:
SHRI RAJ MOHINDER SINGH MAJITHA:

Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether it is a fact that the prices of cement has been hiked recently by the cement industry in the country;

(b) if so, the extent of increase in the prices;

(c) the Government tax, increase in prices of fuel and its supply being less than the demand have been cited as the reasons for increasing the prices by the cement industry; and

(d) if so, the reaction of the Government on their above said reasons?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL POLICY AND PROMOTION, MINISTRY OF COMMERCE AND INDUSTRY (SHRI ASHWANI KUMAR): (a) to (d) The prices of cement had increased sharply between December, 2005 and March, 2007 due to demand-supply mismatch: However, prices have largely stabilized since March, 2007, showing an increase of 4.44% between March, 2007 and March, 2008. Government has taken a number of measures to increase the supply of cement in the market to cater to increased demand. These include facilitating import by reducing the import duty on cement to Nil', removal of countervailing duty and special additional customs duty. Further, MMTC Ltd., **a** Government of India enterprise, TANCEM, a State Government enterprise of Tamil Nadu and M/s Puducherry Agro Services Industries Corporation (PASIC) have been given a special dispensation to import cement under the provisions of Cement (Quality Control) Order, 2003 to enable availability of significant quantities of imported cement in the market. The export of cement has also been banned and Government's resolve to take strict measures to curb profiteering and cartelization have been announced.
